115006438019	Congratulations to all on a very inciteful topic with some stimulating information on non-taxed improvements! Wow!	Kudos to those that put together the information while still maintaining their day-to-day work! Bravo!
115005514404	ANOTHER TOTALLY FASCINATING PRESENTATION!!! I loved this. Old maps, redrawing parcels, encroaching on public property (the AUDACITY), handshake agreements for property agreements...this one is going to stick with me. 100+	Excellent visuals
115005515311		Tom Jaconetty provided excellent insights
115005517622		Jaconetty was a very strong addition.
